

# Welcome to 5th Grade

## Mrs. Bliss ... Room 13

**STUDENTS** ... You're finally 5th graders & ... I finally get to be your teacher! ★ This will be an exciting & memorable adventure that we will all share.

👊 We will be looping together for 5th & 6th grade. That means we will stay together for 2 years!! Remember ... We are all coming into 5th grade with different skills and different needs. Our classroom motto is ... Practice Makes Progress!! Our goal is to learn and make ... PROGRESS ... every day.

#5thgraderocks 🙌

#practicemakesprogress 👍

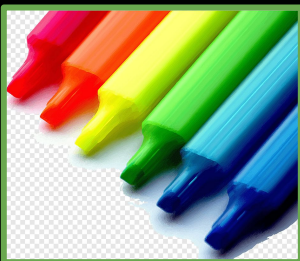

**PARENTS** ... You have an amazing group of kids and I am excited about spending the next 2 school years with them! 😊 Most of you have been at HPE for some time and it has been a joy to watch your kiddos grow up over the years. If you are new to HPE ... welcome! This is a looping class which means we will be together for 5th & 6th grade! We will focus on student learning & grade level standards, but also independence, problem-solving, organization, and social-emotional skills.

I will share more details our learning environment at Back-to-School Night (BTSN) on September 4th. 👍 I can't wait to meet you! 😊

**SUPPLIES:** We are fortunate that HPE can purchase most of the needed supplies for this school year. **However, please do what you can to provide the following ...**

- a quiet learning space @ home (yay-no \$ 😊)
- a backpack or bag (use what you have--please don't feel like you need to purchase a new one)
- a refillable water bottle (gotta stay hydrated)
- homework folder: students will need to be organized
- colored ball-point pens for correcting (NOT blue or black--these are difficult to read next to pencil)

- multi-colored highlighters (we take a LOT of notes in 5th grade 👍)

\*If this is a financial hardship, PLEASE let me know, so I can help!!

### COMMUNICATION:

**Parents** ... We can communicate with each other through the **Remind** app. You will receive an invitation to join our class on your cell phone. Please download the free app through the Apple App Store for iPhones or the Google Play Store for Android phones.

**Students** ... All assignments and messages will be posted in **Google Classroom** (GC). We will also use a Homework Sheet to keep track of homework, reminders, & important dates for each week. You can ask questions and/or leave on-topic comments/questions in the GC Stream.

**I look forward to seeing you on the first day of school ...**

**Monday, August 19th @ 9:00 am** 🕒 😊
